

ERASMUS+ PROJECT ***LOVE IS FOR EVERYONE***

**Secondary school IES Pedro Salinas
Madrid, España**

May 9th 2018. Europe's day activities

Context

Within the activities organised for the celebration of **Europe Day** (May 9th 2018), we present here two of them:

- **Europe Rights**
- **Knowing Europe**

Europe Rights 1/3

Goals

1. To know the rights of all European Union citizens as stated in the [European Charter of Fundamental Rights](#)
2. To understand the significance of those rights for everyday life

Students involved

- High School, first year (1^o Bachillerato)

Europe Rights 2/3

Implementation

- All students read the preamble of the Charter.
- Each student is assigned one of the articles of the Charter. They read aloud their assigned articles and initiate a common reflection (a brief exchange of opinions) using everyday examples.

Time employed

- 2 class periods

Europe Rights 3/3

Knowing Europe 1/3

Goals

1. To increase the knowledge of European countries, their geography, their people, culture and achievements.
2. To raise their interest in international activities, and in the LIFE project in particular.

Students involved

- Secondary Education, second year (bilingual program)

Knowing Europe 2/3

Implementation

- Groups of 4 students are formed. Each group is in charge of preparing an electronic presentation of a European country. The six participant countries in the LIFE project are assigned.
- Students complete their task in a computer classroom.
- Each group presents its work to their classmates and to other groups as well.

Time employed

- 2 class periods

Knowing Europe 3a/3

Knowing Europe 3b/3

Knowing Europe 3c/3
